ACADEMIC PROJECTS

Mckeel Academy of Technology   Lakeland, FL

<u>FTC Robotics Competition</u> — 2023-2024
Working and communicating with my team, I helped to design and develop a robot that competed in a statewide competition for high schoolers called "First Tech Challenge".

LEADERSHIP

<u>Mckeel Academy's Game Development Club, Founder/President</u> — 2023-2024
I planned and led lessons to motivate and enable middle schoolers to develop games.
